

Healing Together Sponsorship Opportunities

2024

What is Healing Together?

Healing Together is our one-of-a-kind annual conference for people living with dissociation and DID, their loved ones, and mental health professionals. It is a psychoeducational weekend-long conference of learning and healing while building community.

Why Sponsor?

- **Exposure to a strong community:**

Gain visibility among a diverse & engaged audience!

- **Continuing Education:**

Take advantage of valuable education & training opportunities!

- **Networking & Collaboration:**

Build collaborative relationships with like-minded professionals in the industry!

2023 Highlights:

- 450,000+ Sponsor Impressions
- 700+ Attendees (in-person & virtual)
- 623 conference app downloads
- 25+ meetups

An Infinite Mind (AIM) was formed out of a need for accurate information on Dissociative Disorders.

People living with Dissociative Identities, their supporters and therapists need access to accurate information and a community of people who understand and live or work with people living with dissociation. Our intention is to offer a trustworthy, joyful space to connect with survivors, supporters and clinicians.

We welcome you to our hive here at AIM!
